ITEM NO. 10

Attention of Members is invited to the Company's letter dated June 29, 2018 to Stock Exchanges, vide which it was informed that the Bosch Group world-wide intends to realign its Packaging Business ("PA"). This realignment of the PA division will improve the division's growth prospects in a market characterized by tough competition and cost pressure.

At the meeting of the Board of Directors held on May 21, 2019, the Board has approved the proposal of transfer of Company's Packaging Technology Business along with all its employees, assets and liabilities as a going concern and by way of a slump sale to a subsidiary of Robert Bosch Packaging Technology GmbH. This is intended to be carried out in two phases. In the first phase, PA division will be carved out to a new entity under a common holding company for PA division worldwide. In the second phase a joint venture partner or a buyer will be identified and accordingly the said business will be transferred. The proposed re-alignment would enable the PA business to tap into additional growth opportunities in those regions in which it does not yet have such a broad presence. Finding a partner or buyer for the Packaging Technology Business will make it possible for the Bosch Group to devote more attention to other strategic areas.

The Packaging Technology Division is a provider of packaging solutions for the food and confectionery industries. The range includes individual machines, system solutions including secondary packaging and a comprehensive service portfolio.

PA Business globally is characterized by tough competition and cost pressure. Packaging technology is not a core Bosch business. Due to dependence on PA global for technology and Intellectual Properties (IP), local business cannot be run profitably on standalone basis. Packaging division in India operates in a very competitive environment, competing with Small and Medium Enterprise (SMEs) with structural advantages. Even the margins in this business are very low. Hence, it has been thought fit to globally re-align the said business by seeking a joint venture partner or a buyer for opening up additional growth potential and enabling further expansion of international presence. The proposed re-alignment would enable the global PA business additional growth opportunities.

The PA Business in India ("PA-IN") constitutes approximately 1.4% of the total business of the Company. The sale of PA-IN is in line with the global realignment, will allow the Company to sharpen its focus on transformation of the Bosch Group and its future digitalization strategy, including the internet of things and to pool its resources accordingly.

Mr. Chinmaya. AM, Partner, Guru & Jana Chartered Accountants, were appointed as the Registered Valuer. KPMG India Private Limited ("KPMG") were appointed for carrying out an independent valuation of Packaging Technology business. In addition, Ernst & Young Merchant Banking Services LLP ("EY") were engaged to provide a fairness opinion on the Valuation Report. Mr. Chinmaya. AM, has estimated an enterprise value of INR 1446 million for PA-IN and EY has opined that the same is fair and reasonable. The Audit Committee and the Board at its Meeting held on May 21, 2019, approved the sale and transfer of PA-IN along with all its employees as a going concern on a slump sale basis to a subsidiary of Robert Bosch Packaging Technology GmbH, Germany. Based on the recommendation of the Audit Committee, the Board has fixed a lump sum consideration of INR 1446 million for the transfer of PA-IN subject to necessary adjustments in working capital values between May 20, 2019 (valuation date) and the effective date of transfer of PA-IN. In addition to the enterprise value, a contingent consideration is agreed in case the implicit sale price of PA-IN is higher than above stated enterprise value on account of sale (partially or full) of global PA business to a third party and the global sale happens within 18 months from the approval of the Board of Bosch Ltd for sale of PA-IN. The Board is of the opinion that the said sale is in the interest of the Company, Shareholders, Customers, Employees and other Stakeholders.

The copy of the aforesaid reports of Mr. Chinmaya. AM, KPMG and EY are available for inspection in physical and in electronic form upto the date of declaration of results. Physical copy of the reports are available for inspection at the registered office during any working day (except Saturdays, Sundays & Public Holidays) between 10.00 a.m. IST to 5.00 p.m IST up to the date of the meeting. In case any member is desirous of inspecting the aforementioned reports in electronic form, may write to the Company at investor@in.bosch.com.
